### **FANCY A BRAAI AT EVERTSDAL?**

After a long day of conferencing, treat your team to a relaxed braai at Evertsdaal. We provide the perfect setting for a great social after a hard day's work.

We have outside and semi-covered venue options to choose from.

Each braai enquiry is unique with different requirements. The finer details of your event will be discussed with the conferencing manager beforehand.

As Evertsdaal is situated in a residential area, we need to consider our neighbours. We also need to consider our other in-house guests, therefore the function must be over by 10pm and any outside visitors should return home at this time.

We encourage only soft background music.

We offer a traditional braai menu from which you will make your selection. We do not allow self-catering for any functions at Evertsdaal. One of our team members will braai for you or if someone in the group would prefer to braai, they are more than welcome to.

The guesthouse is fully licensed and our wine/beverage list is available upon request.

A venue fee applies only if the group is not conferencing at Evertsdaal.

Feel free to get in touch with us:
